'REAL ESTATE PURCHASE OR COMPANY ESTABLISHMENT/CHANGES WITHOUT PERSONAL MEETING, SIMPLY ON VIDEOCALL WITH YOUR LAWYER IS POSSIBLE NOW!

Countersigning of your lawyer can be done only on videocall even from abroad and without apostilling!

The Bar Association and the relevant laws allow to simplify the signing procedure without meeting in person and regulate in details how the proceeding lawyer should conduct the client identification and signing in video call. It can be major advantage to keep your business running even when you cannot travel or meet in person in these difficult times; moreover, you may save the apostilling costs, if you would sign important documents abroad.
